Class Descriptions

SS1

Inventor's Workshop

Love to create things out of materials? This is the workshop for you! Get messy and use your thinking cap to create fun projects this summer.

Breakout! Summer Edition

Think you're good at puzzles? Well the clock is ticking! Join us as we use clues to solve a mystery and try to "Breakout" of the classroom!

STEAM/STEM

Students will explore art concepts connected to STEM topics and view the relationship between Art and STEM. These engaging, hands on activities incorporates creativity, inquisition, critical thinking, math and science skills, and collaboration. Let's have fun testing structures and contraptions that will be built out of every day materials (and certain sweet treats)!

Get Your Game On

Students will engage in individual and collaboration [games](#) that will range from board games to trivia to Minute to Win It challenges. These activities will strengthen teamwork skills and sportsmanship while having fun!

Korean

Students will be immersed into Korean [culture](#) through [music](#), games, and role-playing. Korean alphabet (Hangul) will be introduce to read and write as well as practice speaking and listening. This class will provide an interactive environment for students to learn and practice speaking and listening skills necessary for everyday conversation.

Arts and crafts

Arts and crafts encourages self-expressions. Young artists can explore their endless abilities through a variety of different mediums ranging from technical drawing and fine art painting classes to mixed media and craft building.

Mission Impossible

Our mission if you choose to accept will take you on an adventure. Solving riddles, deciphering codes and making dead drops. Agents report to your handler!

Around the world in 15 days.

I hope you have your bags packed because we are taking off. We will visit 15 countries in 15 days!

SS2

Survivor: Through team- building games, crafts, physical and mental challenges we will see who can "outwit, outplay and outlast" other tribes at NHKS Summer School Survivor!

The Amazing Race: Lace up those tennis shoes and get ready to "race" around the world this Summer! We will travel all around the globe completing various tasks and crafts based on whatever country we are in. The session will end with an Amazing Race-themed scavenger hunt around the campus!

Yoga for Kids:

"Yoga is fun and beneficial for all ages! Come get your *namaste* on with games, poses, and crafts in Navy Hale Keiki School's summer yoga class!"

CSI: Who stole the chocolate cake?:

"Who stole the piece of chocolate cake?! Come help solve the mystery in Navy Hale Keiki School's summer CSI class! Write in invisible ink, follow the thief's footprints, and look for other clues in this fun class!"

Hands On Art (this will be offered 2x)

Get ready to have fun (and possibly get your hands a little dirty) as we dive into several fun-filled art activities. We will explore different mediums and engage our wonderful imaginations to create beautiful works of art.
